ABOUT

ProCommute

Pro Commute LLC provides School Bus,
Shuttle Bus, & Wheelchair Services.

OUR BACKGROUND

Pro Commute was founded in the early '80s then rebranded in 2013. We began as Brown's Transportation Service providing school van services, and then later providing wheelchair and ambulatory services. The rebranding was done to appear in a much larger market. As a whole, Pro Commute today, strives to carry out what it set out decades ago, and that is to listen to the people. This is a service for the people, and getting their input, is what sustains us.
